

# Patrick Gireth

Lead graphic designer candidate

Being creative designer & digital innovations guru with more than 20 years of experience, specialising in corporate branding, design and front-end development, make me an ideal candidate for your Lead Graphic Designer position.

I offer in-depth experience with my adaptability, methodical nature, and clear attention to detail, I am adept at handling any requests of high quality. I work hard to maintain efficiency not only for my work, but of the production line as a whole so the company maintains productivity, customer satisfaction, and profitability goals.

I am confident that my skills and experience meet your ambitious requirements, and I would welcome a chance to meet with you in person to discuss your needs and my suitability in a greater detail.
